OPENING DATE: September 27, 2007

CLOSING DATE: October 20, 2007

A Hunter Pace is an opportunity to ride out with friends on a glorious (rain or shine) Fall day, fast or slow, jumping or going around the jumps, and to have a grand time doing it. It is disguised as a competition. As a competition the winners are those in each division who come in at the time closest to the optimum time. The optimum time is roughly determined by the speed at which a fox hunter would safely negotiate the terrain.

The optimum time is predetermined.

Definition of Divisions

All divisions are ridden in teams, except for the Black Cat Run. The competition is judged on time. The winners are those who complete their ride in the time closest to the optimum (not the fastest) time. Each division's course will be marked and maps will be available. All jumps are optional.

Rolling Pumpkins: This is done at a leisurely walk. The purpose is to enjoy the beautiful surroundings, stop to look around and have time to chat with your teammate. This division will be approx. 2 kilometers long, with no water crossings.

Floating Ghosts: This is the pace of a brisk walk and trot. Still time to look around, just without being too lazy. There will be small obstacles on course. You may jump them for fun or go around. This division will be approximately 5 kilometers long (may have a water crossing).

Flying Witches: This is done at a walk, trot, and canter. You might be able to see your surroundings at a glance. Take a quick look because they will fly right on by. There are bigger obstacles on course. You may jump them for fun or go around. Division will be approximately 10 kilometers long, with 2 water crossings.

WHY NOT ADD A BLACK CAT RUN?

Black Cat Run: A 1000 meter XC course with 8 to 10 obstacles. Jumps ranging from 18" to 3'3". All fences are optional. A great tune up for your next recognized event. Competition judged only on optimum time (350 mpm). Extra runs may be purchased at the event.

Divisions will be ridden through open fields and woodland trails, with varied terrain including hills, rock outcroppings, and water crossings.

Times will be posted on our Web site (www.ashlandfarm.com) before midnight, October 25, 2007.
